### **Administrative Behavior Herbert A Simon**

Administrative Behavior: a Study of Decision-Making Processes in Administrative Organization is a book written by Herbert A. Simon. It asserts that "decision-making is the heart of administration, and that the vocabulary of administrative theory must be derived from the logic and psychology of human choice", and it attempts to describe administrative organizations "in a way that will provide the basis for scientific analysis".:xiii-xiv:xl-xlvi:xlvii-xlviii:xi The first edition was published in

## **Administrative Behavior - Wikipedia**

In Herbert A. Simon " In his influential book Administrative Behavior (1947), Simon sought to replace the highly simplified classical approach to economic modeling—based on a concept of the single decision-making, profit-maximizing entrepreneur—with an approach that recognized multiple factors that contribute to decision making.

## **Administrative Behavior | book by Simon | Britannica**

In this fourth edition of his ground-breaking work, Herbert A. Simon applies his pioneering theory of human choice and administrative decision-making to concrete organizational problems. To commemorate the fiftieth anniversary of the book's original publication, Professor Simon enhances his timeless observations on the human decision-making process with commentaries examining new facets of organizational behavior.
