Description In her book 'Art On My Mind: Visual Politics,' hook talks about the relationship between the dominant white male and art by African Americans, especially women. She talks about biases, practices and why the relationship is not as it should be. African American artists, especially female ones, have more struggles than white males.

the work of Black Looks (not reviewed), exploring the politics of representation, aesthetics, and the place of the African-American woman artist. This collection of 18 essays in art criticism and five interviews with prominent black women artists is hooks's response to the paucity of African-American art critics, particularly women.
