Online Library Construction Tendering Estimating Bentley J I W Barriers to Competitive Tenders in Building Conservation Works Construction project overhead--the expenses involving onsite construction-related services and facilities, including staff and offices--comprises a significant percentage of construction budgets. Although recent

Construction Tendering Estimating Bentley J I W

Estimating is concerned with the processes used by contractors to establish the cost to themselves of carrying out construction work. Tendering is concerned with the commercial aspects of bidding for and obtaining work from contracting companies by selecting contractors and asking them to tender and submit a price for the project work.
