way that students want to learn and instructors want to teach. The overarching theme of the book is enabling salespeople to build relationships successfully and to create value with customers.

Contemporary Selling: Building Relationships, Creating ...

Contemporary Selling will open students' eyes to the concept of the mutually beneficial exchange - in the competitive marketplace, sellers can only satisfy customers by building relationships that center around the customer's needs and customers will only commit to sellers willing to do so. I have used previous editions of this book and have found it invaluable - the new edition's inclusion of sales technology is particularly exciting.
