My DSC Home Alarm is Beeping! Causes and Solutions. If your DSC home alarm is beeping every 10 seconds or so, there could be many possible causes. In most cases, it's because the alarm panel has detected one or more "trouble" conditions. These include things like low battery trouble, phone line failure, and communication problems, among many others.

This only works for DSC Power Series, GE, and Ademco alarm systems that are not all-in-one systems. You would need to contact your alarm service provider for changing out an all-in-one system battery.

### **A-1 DSC How to Change out Your System Battery**

Also, different DSC alarm systems may have different specific battery replacement instructions, so it is always a smart idea to keep a copy of the user manual handy. If you still have the hard copy, put it somewhere near your alarm system control panel. If not, you can always download and save a copy on your computer or mobile device.
