The City of London, also known as The City, or The Square Mile (after its approximate size), is the area of London that originally lay within the ancient city walls. This part of Central London is not as big a tourist destination as the West End, Westminster or South Bank, but is a must for anyone wishing to explore and understand London.

About us - City of London

The city meant roughly what we mean by the City of London--a crammed commercial huddle that smells the river. The Thames was everybody's thoroughfare. The Londoners of Chaucer's time had had difficulty bridging it; the Elizabethans had achieved only London Bridge.
