If she only knew  
What I knew but couldn't say  
If she could just see  
The part of me that I hid away  
If I could just hold her in my arms again  
And just say I love you  
But she's gone away, maybe she'd stay  
If she only knew  
If she could just feel  
What I feel here in my heart  
She'd know it was real  
Pure and true right from the start
