end up in harmful
downloads.

Rather than enjoying a
good book with a cup
of tea in the afternoon,
instead they juggled
with some malicious
bugs inside their
computer.

Despite its name, most books listed on Amazon Cheap Reads for Kindle are completely free to download and enjoy. You'll find not only classic works that are now out of copyright, but also new books from authors who have chosen to give away digital editions. There are a few paid-for books though, and there's no way to separate the two
