The Final Leap Suicide On

It's also the only international landmark without a suicide barrier. Weaving drama, tragedy, and politics against the backdrop of a world-famous city, *The Final Leap* is the first book ever written about Golden Gate Bridge suicides. John Bateson leads us on a fascinating journey that uncovers the reasons for the design decision that led to so many deaths, provides insight into the phenomenon of suicide, and examines arguments for and against a suicide barrier.

The Final Leap: Suicide on the Golden Gate Bridge: Bateson ...

The book is basically a 309-page argument for the erection of an anti-suicide barrier on the Golden Gate Bridge. I had known the bridge was a suicide hotspot and a few dozen people listed on my missing persons website are thought to have died there, but I didn't realize the toll was so high: more

Review - The Final Leap - Suicide

John Bateson's book *The Final Leap: Suicide on the Golden Gate Bridge*, which was published in 2012, is the first book to address suicide on the bridge. Bateson, who says that the Golden Gate Bridge is the top suicide site on the planet, points out that there are several reasons why the bridge holds particular appeal for suicidal individuals. These individuals assume that jumping off from the bridge will provide a simple, painless death in which there will be no body for loved ones to ...
