## **Professional Cover Letter Examples for Job Seekers in 2020**

However, your resume should present only the experience, skills and training related to your current goal. Since a resume is a marketing piece rather than a career history, don't feel that your resume must cover every detail of your career. Edit your experience so your resume is tailored to your current job target. 7.

## **Resume Tips for Long-Term Employment | Monster.com**

Research has shown that hiring managers tend to spend only 6 seconds per resume. If your resume includes old or irrelevant information, such as jobs held over 10 years ago or minor degrees and achievements, it may distract from key information. Try to include only work experience, achievements, education and skills most relevant to the employer.
