The train really does fit inside the little shed when folded up and back in its book box. A fierce looking schoolmistress ... Lovely details of the hobo cooking his breakfast above the tunnel, next to the Station Cafe. A beautifully quick bit of paper engineering. When closed, the pond folds up for the train shed. Great little pop up water tower.

Pop Up Railway Americana - Sidetracked

A train song is a song referencing passenger or freight railroads. Trains have been a theme in both traditional and popular music since the first half of the 19th century and over the years have appeared in all major musical genres, including folk, blues, country, rock, jazz, world, classical and avant-garde. While the prominence of railroads in the United States has faded in recent decades, the ...

Radial directions. Many rail systems use the concept of a center (usually a major city) to define rail directions.. Up and down. In British practice, railway directions are usually described as "up" and "down", with "up" being towards a major location. This convention is applied not only to the trains and the tracks, but also to items of lineside equipment and to areas near a track.
