Transitions: Making Sense of Life's Changes (Audio ...

There are three phases: endings, neutral zone and then beginnings to any transition or change in life. It's very hard to be in the neutral zone and it is absolutely essential. Rushing the process, as Bridges says, means we don't fully make sense of the change or transition and are bound to repeat the same situation or stay stuck.

Transitions: Making Sense Of Life's Changes: Bridges ...

In Transitions. Making Sense of Life's Changes, Bridges first clarifies the distinction between change and transition, stating that our society confuses them constantly. He writes that change is one's move to a new city, their shift to a new job, the birth of a baby, or the death of a loved one. In other words, change is situational.

Want to make sense of life's transitions? This is simply and outstanding book on navigating through life's transitions. Practical and enormously insightful (and even inspiring in places) Bridges helps the reader to understand the difference between 'change' and 'transition', and ultimately, to appreciate that the ending of a chapter is the actual beginning of a new one.

Transitions: Making Sense of Life's Changes by William Bridges

"Transitions" made so much sense. We need time out, an interval, in which to quietly acknowledge what is past, whether it's a marriage, a job, or a home town, a time to simply be. I declared an intown vacation, didn't answer the phone, did no work and, to my amazement, finally met "me."
